

Killing the Calves

—All sorts of excuses are offered for the high price of beef, the most plausible being the alleged demand for veal—"the killing of calves which should be allowed to grow into regular beef." You cannot have beef if you eat it as "veal," but you can have **Shredded Wheat Biscuit** which contains more real nutriment than beef and costs much less. Shredded wheat biscuit is the whole wheat steam-cooked, shredded and baked. Make it your "meat" for ten days and see how much better you feel. Wholesome and strengthening for any meal with milk or cream or in combination with fruits. Made at Niagara Falls, N. Y.

TESTED RECIPES.**Pumpkin Fritters**

Cut the squash or pumpkin in long, square pieces. Make the pieces as thin as possible. Sprinkle with salt and let stand awhile; then dip into the fritter batter and fry in deep fat until the pumpkin is tender. When nicely brown, dust them with sugar, and serve hot.

Wash the face with hot water and soap before retiring; this will do a great deal toward a clear complexion.

Sure Way To Get Rid of Dandruff

There is one sure way that never fails to remove dandruff completely and that is to dissolve it. This destroys it entirely. To do this, get about four ounces of plain, ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

By morning, most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy every single scale and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop instantly, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

You can get liquid arvon at any drug store. It is inexpensive, and four ounces is all you will need. This simple remedy has never been known to fail.

DRINK HOT TEA FOR A BAD COLD

Get a small package of Hamburg Breast Tea, or an the German folks call it, "Hamburger Brust Tee," at any pharmacy. Take a tablespoonful of the tea, put a cup of boiling water upon it, pour through a sieve and drink a teaspoon full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus driving a cold from the system.

Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless.

Worth Careful Thought

Do you read the label to know whether your baking powder is made from cream of tartar or, on the other hand, from alum or phosphate?

Dr. Price's Cream Baking Powder is made from cream of tartar, derived from grapes, and adds to the food only wholesome qualities.

Some baking powders contain alum or phosphate, both of mineral origin, and used as substitutes for cream of tartar because of their cheapness.

Never sacrifice quality and healthfulness for low price.
